## Stratford & Area Bed & Breakfast Association 2010 Member Directory

ABOUT SABBA

SABBA is the pre-eminent representative of independent bed and breakfast owners in Stratford, Ontario and the surrounding area.

SABBA hosts voluntarily adhere to Association quality standards that exceed local licensing requirements, and SABBA homes are regularly inspected to ensure these standards are maintained.

WHY STAY IN A B&B?

Because of their smaller size B&Bs offer a more intimate, personalized guest experience than most hotels. Add the allure of staying in a unique property and it's not surprising that many travelers prefer B&Bs to hotels.

As anyone familiar with bed & breakfasts will attest, staying in a B&B means much, much more than a room and a meal. You'll be the personal guest of an owner who is passionate about hospitality.
